MEMORANDUM FOR THE RECORD

SUBJECT: Constituent Seeking CIA Employment

1. I received a call from Mr. Werner W. Brandt, Legislative Assistant to Congressman Thomas S. Foley (D., Wash.).
2. Mr. Brandt called regarding a friend of the Representative who is seeking employment as a photogrammatist.
3. I told Mr. Brandt that we did employ people with photogrammetry skills and that if he would forward the information to us I would ensure, since the constituent lives near Washington, D.C., that an interview is arranged. Mr. Brandt said he would forward the necessary material.
